Gentlemen:

I am providing this letter to you, for use as a reference in connection with the NARI Greater Dallas Awards, and for such other purposes as you deem appropriate. You recently provided remodeling services to my wife, Angie, and me at our home.

We were very happy with the services rendered by Caulton Contracting and the subcontractors working under its supervision. We felt that the quality of the work performed was generally good, and that Caulton Contracting was extremely organized in scheduling the work. Most importantly, the work was completed on time and within budget.

We were also pleased with your recommendations as to design aspects of the project, including particularly your recommendation of our interior space designer, Joyce Shiska. Together, you produced a superior kitchen!

We would be happy to use your firm again. We hope you will feel free to use us as a reference in the future.

Very truly yours,

Timothy V.
