To Whom It May Concern: Re. Tim Caulton Contracting Co.

Mr. Tim Caulton completed a partial remodeling of our home in April, 1996. The work involved renovation and replacement of all bathroom fixtures and tiles as well as the installation of wall paper, light fixtures and blinds, painting and carpeting in dressing areas, bedrooms, closets, and hall areas.

All work was done very well with attention to a myriad of details. The work was completed within the two months time that Mr. Caulton had projected. The wing of our home that was renovated has a fresh and lovely appearance.

My husband and I are very pleased with the quality of work provided by Tim Caulton Contracting Co. We would have no hesitation in recommending him to others.

Sincerely,

Carole H.
